

Topic of Mandates at Play at Marrakech

The mandates at play in Marrakech belong to different topics, depending upon their placement within the Paris Agreement and decision text.

Actors for Mandates at Play in Marrakech

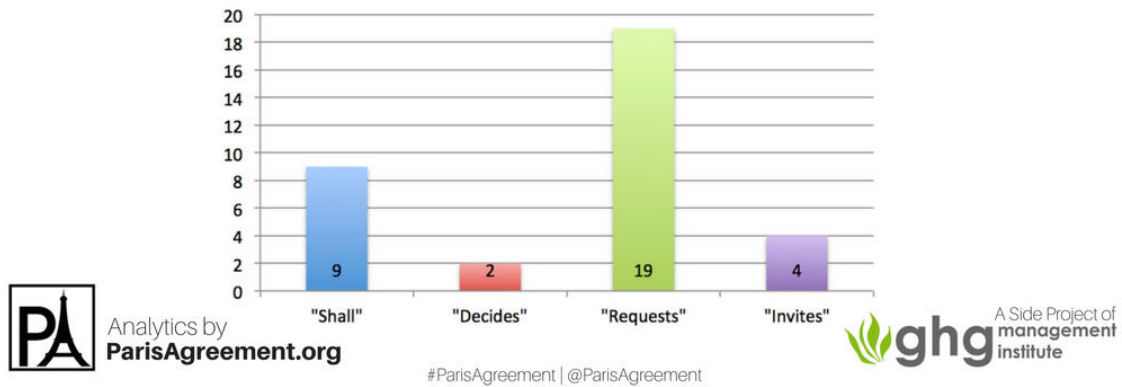

Of the 34 mandates at play from the Paris Agreement and accompanying COP decision: how many mandates in the Paris Agreement is each group responsible for?

The UNFCCC structure involves many different “bodies” tasked with decisions on the international climate change policy framework. The Paris Agreement and accompanying decision text deliver mandates to a number of bodies.

Legal Nature of the Mandates at Play in Marrakech

Of the 34 mandates at play in Paris Agreement and accompanying COP decision: how legally binding is the language describing the mandates?

The mandates produced by the UNFCCC COP use language of different strength to indicate intensity and legal nature. Here, the mandates are sorted from "shall," the most legally binding, to "invites," the softest suggestion.
