

Alumni Registry
Proficiency Exam Certificate and Diploma Recipients
2022

Beginning in 2018, the GHGMI Alumni Registry has been compiled annually and contains alumni who have earned a Certificate of Proficiency or a Diploma within the reporting year from the Greenhouse Gas Management Institute's online education program. Alumni who appear in this registry have earned a Certificate from GHGMI, and have provided their consent to be included in the registry. If you're a 2022 Alumna/us and want to be included in this registry, need to revise your provided information, or wish to be removed from the Alumni Registry, please contact registrar@ghginstitute.org.

Pertinent to GHGMI's Alumni Communication and Contact Policy, if you or an external party wish to contact any individual(s) listed on this registry, you can do so on your own accord and reference GHGMI's Alumni Registry at your discretion. If you are unsure of the individual's contact information, GHGMI can send the intended message on your behalf. For more information, contact registrar@ghginstitute.org.
